Sir:

This is an information disclosure statement submitted in compliance with the timing requirements of 37 C.F.R. §1.97(b)(3), i.e., prior to a first Office Action on the merits.

Copies of five Japanese patent publications are being submitted herewith. These were cited in an International Search Report filed in the Patent and Trademark Office with the original filing of the above-referenced application on May 27, 2005. A Form PTO-1449 listing the documents also is submitted herewith. Also attached is an English translation of the International Preliminary Examination Report that was issued by the International Bureau for the corresponding international application.

Consideration of the submitted documents is respectfully requested.
